

## How to Find DCPower4C

**From North of Holland:** Take the A2 south until the DSM factory turn-off direction Heerlen/Aachen on to the A76. Follow past Nuth and then look for the N281 dual carriage way turn off, direction Heerlen/Kerkrade. (much active radar). Pass IKEA and then Heerlen and take the EXIT/UITVAART Kerkrade West. Turn right and head straight on under the Motorway.

**From Germany:** Head to Aachen on the A4 or A46 to the Aachener Kreuz. Follow direction Heerlen/Brussels/Eindhoven. At the old border you will pass a petrol station, take the next turn or UITVAART. At the traffic light turn right on to the N281 (much active radar). Take the 3<sup>rd</sup> EXIT: Kerkrade West. Turn right and head straight on.

**From Belgium:** At the border the E314 becomes the Dutch A76. Follow past the DSM junction and on to Nuth and then look for the N281 dual carriage way turn off, direction Heerlen/Kerkrade. (much active radar). Pass IKEA and then Heerlen and take the EXIT/UITVAART Kerkrade West. Turn right and head straight on under the Motorway.

**From South:** Pass Maastricht – using the new Tunnel and take the A79 direction Heerlen. The road ends in a Traffic light/Junction; turn right at the Traffic light joining the N281 dual carriage way, direction Kerkrade (much active radar). Take the EXIT/UITVAART Kerkrade West. Turn right and head straight on under the Motorway.

**All:** You are now on the Euregioweg. Follow the road straight on; you will pass under a bridge and then approach a roundabout. Take the right turn, just before the roundabout and follow the road. You will pass a BO-rent and a Chinese restaurant on your right hand side. At the next Traffic light turn right and then right after 25 meters and immediately right on the DCPower4C parking spaces.

Do not wait for valet parking!
